## DATA PROTECTION

Under GDPR legislation, direct consent is needed for the collection, storage and processing of personal data. By undersigning this document, you agree that you have read the Privacy Policy and freely give your approval. A hard copy of this will be kept on file as proof of signature. Under the current GDPR legislation, you have the right to apply for a copy of the information we hold on you and to correct any inaccuracies as well as the right to be forgotten. We will make a search with a Credit Reference Agency, which will keep a record of that search and will share that information with other businesses. In some instances we may also make a search on the personal credit file of principal directors. Should it become necessary to review an account, then again a credit reference may be sought and a record kept. We will monitor and record information relating to your trade performance and such records will be made available to Credit Reference Agencies who share that information with other businesses when assessing applications for credit and fraud prevention. Respecting your privacy, we will record your purchasing preference and may use your information for marketing purposes.
